**TO:** Virginia Murphy**DATE:** August 3, 1994**FROM:** Deane Gross *Deane***SUBJECT:** IMCA Contract

We need two new originals for the IMCA contract attached. There are a few changes, none of them substantive and rather than initialing all over it, we'd like fresh copies.

The changes:

- Now addressed to Kathy Root, not Doug Sheckler.
- All insurance limits are now \$1,000,000, except employers' liability which is \$100,000.
- They had crossed out Paragraph 7 (iii); it should be left in.

I've discussed the insurance issues with Linda Robertson and she's ok with them. FYI, we're dealing with a lot of very small promoters and many just can't afford the usual \$5,000,000 limits.

Let me know when the new originals are ready. Thanks!
